

INC. VILLAGE OF SALTAIRE

February 18, 2020

Saltaire Homeowner,

As you may be aware, the Board of Trustees has identified the mitigation of tick-borne diseases as a primary Public Health priority. For years it has tried various methods to accomplish this goal, but ultimately found that the most effective tool at our disposal is the 4-Poster™ device, which controls tick populations by applying a permethrin-containing pesticide to deer as they feed on bait within the device. The 4-Poster™ program has helped to significantly collapse tick populations since the program began in 2012, and its continued use is critical to maintaining these gains.

However, due to recent regulatory changes, we now need to obtain written consent from all landowners within 745 feet of any 4-Poster™ location. The Village has deployed from the beginning of the program 4-Poster™ devices at 300 West Walk and at the Maintenance Yard at Beacon Walk, and we plan to continue to use these locations for the foreseeable future. Since your home is located within the 745-foot notice-range of one of the listed locations, we are writing to ask for your permission to continue deploying the 4-Poster™ at our existing sites. We ask that you please save and electronically sign this letter and return it to us by email attachment to meagan@saltaire.org, or by mail to PO Box 5551, Bay Shore, NY 11706. If possible, responses should be submitted by March 15, 2020.

We thank you for continued support of this important public health initiative. Should you have any questions, please do not hesitate to call our office at 631-583-5566.

Sincerely,

Mario Posillico
Village Administrator

Meagan Leppicello
Deputy Village Clerk/Treasurer

I am (full name) _____, the owner of (Saltaire address) _____, Saltaire, NY

By electronically typing my signature below, I assert that the Village can deem it to have the same effect as if an original signature had been delivered, and that it is my full intent to give consent to the Village of Saltaire to deploy 4-Poster devices within 745 feet of my property. I understand that as the owner of said property I reserve the right to revoke this consent at any time. This shall be done by notifying the Village of your intent in writing at PO Box 5551, Bay Shore, NY 11706.

Signed: _____ Date: _____

Check this box **ONLY** if you do **NOT** give consent.
