## Laurie Oestreich Gluten Free is Part of Me

**Thursday, August 15<sup>th</sup>, beginning at 6:00pm**

*Come hear Saltaire's very own, Laurie Oestreich, speak about her children's book, Gluten Free is Part of Me! Listen to this wonderful story that gives insight into what it means to be gluten free. The whimsical poetry and cheerful illustrations make the more universal point that "everybody has some stuff that sometimes makes the going tough." All children can benefit from the book's message that we are not defined by our challenges, but by our strength and determination to overcome them.*
