**Age Group Policy:** Placement in age groups will be determined by the camper's age during the camp season. If a new camper's birthday is in July or August, he or she can choose which age group to join, and they will remain with that group until they graduate from the camp. In that instance however, we strongly recommend that the camper be placed in the younger group. This will allow the camper one more year in the camp program, and will allow them to become CIT's the first year after they graduate the camp. Proof of Age for 4 year-olds must be submitted to the Village, and in no instance may a camper begin camp until he/she has reached age 4.

**Medical Coverage and Waiver:** The Recreation Program provides limited accident insurance coverage for each child during participation in camp activities. The terms and conditions of the policy are available through the Village Office. It is not in any way a substitute for family medical coverage and the Village strongly encourages that each participant should maintain their own sufficient medical coverage. I give permission for emergency diagnostic and therapeutic procedures, including hospitalization, securing proper treatments, injection of medication, anesthesia or surgery as may be deemed necessary for my child by the medical personnel in charge of care at the time; and also provide information concerning my child's medical condition to the responsible officials when deemed necessary. My child is in good health and has my permission to enroll and participate. My child has no previous sickness, illness, disease or bodily injury which is in any way a constraint or restriction to his/her participation in the Saltaire Day Camp. I understand that I must have a complete medical form signed by a physician on file prior to the first day my child begins camp.

**Refund Policy:** No refunds given for daily or weekly registration. For Seasonal and monthly, 50% refund given if camper drops out on or before his/her fourth day of camp. No refund given after camper's fourth day of camp.
