**INCORPORATED VILLAGE OF SALTAIRE**  
**RESOLUTION OF THE BOARD OF TRUSTEES**  
**ADOPTING THE VILLAGE INVESTMENT AND CASH MANAGEMENT POLICY**

WHEREAS the Mayor and Board of Trustees of the Incorporated Village of Saltaire are required to adopt or formulate certain policy and procedures regarding the investment and deposit of Village funds, and the management of that money, and;

WHEREAS the Village of Saltaire has previously adopted an investment policy, which is reviewed annually, it is therefore;

RESOLVED, that the Village of Saltaire does hereby adopt the following investment policy:

- 1) The objectives of the investment policy of the Village of Saltaire are:
  - a) To invest only in instruments legally permissible for municipalities.
  - b) To minimize risk so as to preserve principal and maintain a stable asset value
  - c) To manage portfolio to ensure that cash will be available as required to finance operations
  - d) To maximize current income to the degree consistent with legality, safety and liquidity.
- 2) In accordance with this policy, the Village Treasurer is hereby authorized to invest all funds, including proceeds of obligations and reserve funds, in:
  - a) Certificates of deposit issued by a bank or trust company authorized to do business in New York State.
  - b) Time deposit accounts in a bank or trust company authorized to do business in New York State.
  - c) Obligations of New York State.
  - d) Obligations of the United States Government.
  - e) Repurchase agreements involving the purchase and sale of direct obligations of the United States.
- 3) All funds may be invested in:
  - a) Obligations of agencies of the federal government, if principal and interest is guaranteed by the United States.
- 4) No other Village of Saltaire officials have the authority to receive money in their official capacity.
- 5) All investments made pursuant to this investment policy shall comply with the following conditions:
  - a) Collateral.
    - (1) Certificates of deposit shall be fully secured by insurance of the Federal Deposit Insurance Corporation or by obligations of New York State or obligations of the United States or obligations of federal agencies the principal and interest of which are guaranteed by the United States, or obligations of New York State local governments, or a combination of same. Collateral shall be delivered to the Village of Saltaire or a custodial bank with which the Village of Saltaire has entered into a custodial agreement. The market value of collateral shall at all times equal or exceed the principal amount of the certificate of deposit. Collateral shall be monitored no

less frequently than monthly, and market value shall mean the bid or closing price as quoted in the Wall Street Journal or as quoted by another recognized pricing service.

- (2) Securities purchased through a repurchase agreement shall be valued to market at least weekly.
  - (3) Collateral shall not be required with respect to the direct purchase of obligations of New York State, obligations of the United States and obligations of federal agencies the principal and interest of which are guaranteed by the United States Government.
- b) Delivery of securities.
- (1) Repurchase agreements. Every repurchase agreement shall provide for payment to the seller only upon the seller's delivery of obligations of the United States to the custodial bank designated by the Village of Saltaire or, in the case of a book-entry transaction, when the obligations of the United States are credited to the custodian's Federal Reserve Bank account. The seller shall not be entitled to substitute securities. Repurchase agreements shall be for periods of 30 days or less. The custodial bank shall confirm all transactions in writing to ensure that the Village of Saltaire's ownership of the securities is properly reflected on the records of the custodial bank.
  - (2) Payment shall be made by or on behalf of the Village of Saltaire for obligations of New York State, obligations the principal and interest of which are guaranteed by the United States, United States obligations, certificates of deposit and other purchased securities upon the delivery thereof to the custodial bank or, in the case of a book-entry transaction, when the purchased securities are credited to the custodial bank's Federal Reserve System account. All transactions shall be confirmed in writing.
  - (3) Written contracts. Written contracts are required for repurchase agreements, certificates of deposit and custodial undertakings. With respect to the purchase of obligations of the United States, New York State or other governmental entities, etc., in which moneys may be invested, the interests of the Village of Saltaire will be adequately protected by conditioning payment on the physical delivery of purchased securities to the Village of Saltaire or custodian or, in case of book-entry transactions, on the crediting of purchased securities to the custodian's Federal Reserve System account. All purchases will be confirmed in writing to the Village of Saltaire. It is, therefore, the policy of the Village of Saltaire to require written contracts as follows:
    - (a) Written contracts shall be required for all repurchase agreements. Only creditworthy banks and primary reporting dealers shall be qualified to enter into a repurchase agreement with the Village of Saltaire. The written contract shall provide that only obligations of the United States may be purchased, and the Village of Saltaire shall make payment upon delivery of the securities or appropriate book-entry of the purchased securities. No specific repurchase agreement has been executed between the Village of Saltaire and the trading partners. While the term of the master repurchase agreement may be for a reasonable length of time, a specific repurchase agreement shall not exceed 30 days.
    - (b) Written contracts shall be required for the purchase of all certificates of deposit over \$100,000.

#### 6) Financial strength of institutions

- a) All trading partners must be creditworthy. Their financial statements must be reviewed at least annually by the Treasurer to determine satisfactory financial strength, or the Treasurer may use credit-rating agencies to determine creditworthiness of trading partners. Concentration of investments in financial institutions should be avoided. The general rule is

- not to place more than \$2,000,000 in overnight investments with any one institution.
- b) Investments in time deposits and certificates of deposit are to be made with banks or trust companies. Their annual reports must be reviewed by the Treasurer to determine satisfactory financial strength.
  - c) When purchasing eligible securities, the seller shall be required to deliver the securities to our custodial bank.
  - d) Repurchase agreements shall be entered into only with banks or trust companies or registered and primary reporting dealers in government securities. Sound credit judgments must be made with respect to trading partners in repurchase agreements. It is not assumed that inclusion on a list of the federal reserve is automatically adequate evidence of creditworthiness.
  - e) Repurchase agreements should not be entered into with undercapitalized trading firms.
  - f) A margin of 5% or higher of the market value of purchased securities in repurchase agreements must be maintained.
- 7) Operations, audit and reporting.
- a) The Treasurer or the deputy Treasurer shall authorize the purchase and sale of all securities and execute contracts for repurchase agreements and certificates of deposit on behalf of the Village of Saltaire. Oral directions concerning the purchase or sale of securities shall be confirmed in writing. The Village of Saltaire shall pay for purchased securities upon the delivery or book-entry thereof.
  - b) The Village of Saltaire will encourage the purchase and sale of securities and certificates of deposit through a competitive or negotiated process involving telephone solicitation of at least two bids for each transaction.
  - c) At the time New York State auditors conduct the an audit of the accounts and financial affairs of the Village of Saltaire, the New York State auditors shall audit the investments of the Village of Saltaire for compliance with the provisions of these investment guidelines.
  - d) Within 60 days of the end of each of the first three quarters of the fiscal year, the Village treasurer shall prepare and submit to the Board of Trustees of the Village of Saltaire a quarterly investment report which indicates new investments, the inventory of existing investments and such other matters as the Treasurer deems appropriate.
  - e) Within 120 days of the end of the fiscal year, the Village treasurer officer shall prepare and submit to the Board of Trustees of the Village of Saltaire an annual investment report; recommendations for change in these investment guidelines; the results of the annual New York State audit, if available; the investment income record; a list of total fees, commissions or other charges, if any, paid to the custodial bank; and such other matters as the Treasurer deems appropriate.
  - f) At least annually, and, if practicable, at the annual organization meeting of the Board of Trustees of the Village of Saltaire, the Board of Trustees shall review and amend, if necessary, these investment guidelines.

**INCORPORATED VILLAGE OF SALTIRE**  
**RESOLUTION OF THE BOARD OF TRUSTEES**  
**ADOPTING THE VILLAGE PROCUREMENT POLICY**

WHEREAS, General Municipal Law 104-b requires the governing body of every municipality to adopt a procurement policy for all goods and services which are not required by law to be publicly bid, and

WHEREAS the Village of Saltaire had previously adopted a procurement policy for the Village, which is reviewed annually, it is therefore;

RESOLVED, that the Village of Saltaire does hereby adopt the following procurement policy which is intended to apply to all goods and services which are not required by law to be publicly bid.

## PROCUREMENT POLICY FOR THE VILLAGE OF SALTAIRE

1. Every purchase to be made must be initially reviewed to determine whether it is a purchase contract or a public works contract. Once that determination is made, a good faith effort will be made to determine whether it is known or can reasonably be expected that the aggregate amount to be spent on the item of supply or service is not subject to competitive bidding taking into account past purchases and the aggregate amount to be spent in a year. The following items are not subject to competitive bidding pursuant to General Municipal Law §103: purchase contracts under \$20,000 and public works contracts under \$35,000; emergency purchases; certain municipal hospital purchases; goods purchased from agencies for the blind or severely handicapped; goods purchased from correctional institutions; purchases under State and county contracts; and surplus and second-hand purchases from another governmental entity.

2. All goods and services will be secured by use of written requests for proposals, written quotations, verbal quotations (whenever practical to be followed by email or other written form of confirmation), or any other method that assures that goods will be purchased at the lowest price and that favoritism will be avoided, except in the following circumstances: purchase contracts over \$20,000 and public works contracts over \$35,000; goods purchased from agencies for the blind or severely handicapped pursuant to State Finance Law 175-b ; goods purchased from correctional institutions pursuant to Correction Law 186; purchases under State contracts pursuant to General Municipal Law 104; purchases under county contracts pursuant to General Municipal Law 103(3); or purchases pursuant to subdivision 6 of this policy.

3. The following method of purchase will be used when required by this policy in order to achieve the highest savings:

Estimated Amount of Purchase Contract	Method
\$1,750 - \$7,499	2 verbal quotes
\$7,500 - \$19,999	3 written/fax quotes or written request for proposals

Estimated Amount of Public Works Contract	Method
\$1,750 - \$7,499	2 verbal quotes
\$7,500 - \$12,499	2 written/fax quotations
\$12,500 - \$34,999	3 written/fax quotes or written request for proposals

A good faith effort shall be made to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the purchaser will document the attempt made at obtaining the proposals. In no event shall the failure to obtain the proposals be a bar to the procurement.

4. Documentation is required of each action taken in connection with each procurement.

5. Documentation and an explanation is required whenever a contract is awarded to other than the lowest responsible offeror. This documentation will include an explanation of how the award will achieve savings or how the offeror was not responsible. A determination that the offeror is not responsible shall be made by the purchaser and may not be challenged under any circumstances.

6. Pursuant to General Municipal Law 104-b(2)(f), the procurement policy may contain circumstances when, or types of procurements for which, in the sole discretion of the governing body, the solicitation of alternative proposals or quotations will not be in the best interest of the municipality. In the following circumstances it may not be in the best interests of Village of Saltaire to solicit quotations or document the basis for not accepting the lowest proposal:

a. Professional services or services requiring special or technical skill, training or expertise. The individual or company must be chosen based on accountability, reliability, responsibility, skill, education and training, judgment, integrity, and moral worth. These qualifications are not necessarily found in the individual or company that offers the lowest price and the nature of these services are such that they do not readily lend themselves to competitive procurement procedures. The Village Administrator, at his discretion, may appoint a Selection Team to assist him or her in recommending for approval by the Board of Trustees a firm to provide Professional Services to the Village, whether or not pursuant to a formalized Request for Proposals process for those Services.

In determining whether a service fits into this category the Purchaser shall take into consideration the following guidelines: (a) whether the services are subject to State licensing or testing requirements; (b) whether substantial formal education or training is a necessary prerequisite to the performance of the services; and (c) whether the services require a personal relationship between the individual and municipal officials. Professional or technical services shall include but not be limited to the following: services of an attorney; services of a physician; technical services of an engineer or architect engaged to prepare plans, maps and estimates; services of a state licensed trade with special knowledge or training, securing insurance coverage and/or services of an insurance broker; services of a certified public accountant; investment management services; printing services involving extensive writing, editing or art work; management of municipally owned property; and computer software or programming services for customized programs, or services involved in substantial modification and customizing of pre-packaged software.

b. Emergency purchases pursuant to Section 103(4) of the General Municipal Law. Do to the nature of this exception, these goods or services must be purchased immediately and a delay in order to seek alternate proposals may threaten the life, health, safety or welfare of the residents. This section does not preclude alternate proposals if time permits.

c. Purchases of surplus and second-hand goods from any source or goods purchased at auction. If alternate proposals are required, the Village of Saltaire is precluded from purchasing surplus and second-hand goods at auctions or through specific advertised sources where the best prices are usually obtained. It is also difficult to try to compare prices of used goods and a lower price may indicate an older product.

d. Goods or services under \$1,750. The time and documentation required to purchase through this policy may be more costly than the item itself and would therefore not be in the best interests of the taxpayer. In addition, it is not likely that such de minimis contracts would be awarded based on favoritism.

e. Service contracts entered into through the New York State Office of General Services. In these instances, the State has already investigated and secured the lowest possible price for the municipality.

7. Conflict of Interest Avoidance: No employee, officer or agent of the Village of Saltaire shall participate directly or indirectly in the selection or in the award or administration of any contract if a

conflict, real or apparent, would be involved. Such conflict would arise when a financial or other interest in a firm selected for award is held by:

1. An employee, officer or agent involved in making the award;
2. His/her relative including father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepsister, half-brother, or sister;
3. His/her partner; or
4. An organization which employs, is negotiating to employ, or has an arrangement concerning prospective employment of any of the above.

8.
