

RATIFY ARTICLE 2B DECLARATION OF EMERGENCY

Mayor Skerritt reported that with prior consultation with members of the Board, Village staff and the Village Attorney, she executed a Declaration of a Local State of Emergency due to the severe weather conditions which started on September 25, 2026 and are forecast to continue through September 27, 2026, which have and will continue to negatively impact travel through the scheduled time of the Board meeting being held this 26th day of September, 2026. She stated that she determined that the safety of the public, Village staff and the Trustees would be imperiled by in-person attendance at a public location, and therefore authorized a virtual-only Board meeting for September 26, 2026.
